

# PROFILES in the year 2005

## PRODUCTS

<b>Low pressure gas metering:</b> Diaphragm meters for residential, commercial and industrial applications	1/05, p. 7
<b>Ultrasonic meters conquer the world of gas:</b> Elster-Instromet world market leader	1/05, p. 9
<b>Flow Computers:</b> A flow computer for every application	1/05, p. 10
<b>Volume correctors and data loggers:</b> Product variety for compact systems	1/05, p. 12
<b>Gas pressure regulators</b> A new member of the MR family: MR 50 PN6	1/05, p. 14
Elster-Instromet proudly presents: M2R – How to configure	1/05, p. 16
<b>Rotary meters:</b> Large range – G10 to G1000, low pressure and high pressure	1/05, p. 18
<b>Turbine meters:</b> Natural gas metering – a question of the right device	1/05, p. 20
<b>Gas properties and energy measurement:</b> The new EnCal 3000 gas chromatograph fast – powerful – accurate!	1/05, p. 21
Flexible and modern: The new TC210 temperature corrector	1/05, p. 22
AMCO: Commercial & industrial metering A new line of RPM series “C-Class” rotary meters for 2005	1/05, p. 17
The secondary standard flow facility of natural gas measurement: The WEPP Flow Metering and Calibrating Center Project	1/05, p. 24
BK-G6 V2 compact: A brother, but not an identical twin!	1/05, p. 26
The new BK-G100 industrial diaphragm meter Quattro + Quattro = OTTO	2/05, p. 3
SM-RI Turbine Meter Now available for SM-RI, the Absolute-ENCODER	2/05, p. 5
Remote data transfer with GPRS technology The use of GPRS transmission technology in existing call-up systems	2/05, p. 6
SSV remote indicator available as upgrade Regulators, moving with the times	2/05, p. 8

## PRODUCTS

New: Read Mobile Mobile data collection made simple	2/05, p. 9
New technology in the production process – How do you benefit?	2/05, p. 10
The ENCODER interface is now public domain No more secrets...	2/05, p. 12
SWISSGAS AG's Ruswil metering station: gas-net in large-volume metering	2/05, p. 13
New high capacity version with balanced valve The Elster Jeavons J125B Regulator	2/05, p. 17

## TECHNOLOGY

Test rig technology: The new Elster-Instromet high-pressure test rig in Mainz-Kastel	2/05, p. 22
---	-------------

## INTERNET

The new Elster-Instromet Group website Technology and more – in a modern design	2/05, p. 16
--	-------------

## APPLICATIONS

Application of GPRS technology in Belgium: Elster-Instromet products fulfil future-oriented requirements	1/05, p. 27
2005 Measurement School	1/05, p. 28
The natural choice for gas control equipment Elster Jeavons product range	2/05, p. 20

## GROUP

Joint product portfolio in gas metering and regulation We have the biggest range – you have the choice	1/05, p. 3
Elster-Instromet organisation & product manager	1/05, p. 4
Over forty years in the group Many thanks, Johann von Graevenitz	1/05, p. 6
New Managing Directors of Elster-Instromet GmbH: Welcome aboard at Elster-Instromet	1/05, p. 6
Elster-Instromet N.V. in Belgium Pulling together for our customers	2/05, p. 19
