

Profiles in the year 2009

Products

Aluminium rotary gas meters RVG: now with robust surface Product harmonisation thanks to HART-COAT®	1/09, p. 5
Axial Flow Valve sleeves for high pressure regulators: For more than just one turn	1/09, p. 6
Function monitoring of ultrasonic gas meters: Prevention is better than cure – UniGuard diagnostic software	2/09, p. 4
Turbine and rotary gas meters with extended approval: MID – so new and yet so common	2/09, p. 8
News about the Elster: Ultrasonic gas meter	2/09, p. 9
Eandis fits steel and city life perfectly: The new Ferrari red gas cabinet is a hit in Antwerp	2/09, p. 12

Service

International Technical Training Course 2009: Fit for the future	2/09, p. 15
Specific information makes all the difference: Docuthek, the information platform for technical documentation	2/09, p. 16

Group

Series: Introducing you to a company with tradition and future: Elster Mainz-Kastel site	1/09, p. 8
Series: Introducing you to a company with tradition and future: Elster s.r.o. Stará Turá, Slovak Republic	2/09, p. 18

Standards

Name plate gas pressure regulators – MR, M2R, HR series	2/09, p. 20
--	-------------

Dialogue

Diaphragm gas meters used in smart metering Precise and secure!	2/09, p. 3
--	------------

Applications

Q.Sonic ultrasonic meters to replace orifice plates: Gasum Oy and Gazprom Export place their trust in Elster-Instromet technology	1/09, p. 3
Elster-Instromet successfully enters the upstream Saudi market: Two integrated metering solutions – systems installed and future projects secured	1/09, p. 10
Network interface for volume correctors and data loggers: Cutting edge – yet not new for Elster	1/09, p. 12
Safety and quality: We have a nose for both	1/09, p. 13
World class metering solution for LNG terminal: Total energy metering concept proves to be highly suitable for LNG regasification terminals	1/09, p. 15
Successful underground pressure reducing module considered for conventional installation: Orpheus goes above ground!	1/09, p. 16
Balearic Gas Pipeline Project: Elster-Instromet selected as key supplier for gas metering systems	2/09, p. 6
Street lighting as an alternative to solar energy: Come rain, shine or snow	2/09, p. 7
M2R 75: New configuration offers higher capacities and flexibility	2/09, p. 14

Events

South East Asia hydrocarbon flow measurement: Fully functional metering solution	1/09, p. 7
Q.Sonic-plus and flow computer FC1: New Elster products make their debut at the NSFMM Workshop	2/09, p. 10
Elster-Instromet measuring products draw the crowds: GAS CHINA 2009 Exhibition	2/09, p. 13
Buenos Aires plays host to the gas sector	2/09, p. 17
