## PRODUCTS

Data communication with the new volume products: New RABO® rotary gas meter – all in one!	1/12, p. 3
Goodbye LIS software – welcome MDM C&I Gas: Approaching a generation change	1/12, p. 6
Made by Elster: New test rig for AFV components	1/12, p. 8
A global leader in interfaces: Choosing the right connection for every application	1/12, p. 9
New highlight: volume conversion device EK280 Fit for future requirements	2/12, p. 3
MR goes high pressure: High-pressure regulators MR HP20 range completed	2/12, p. 8
Elster demonstrates real interoperability at ESMIG workshop	2/12, p.16
Measurement, volume conversion and data communication: themis <sup>plus</sup> – measuring gas effectively and at low cost	3/12, p. 3
Manufacture of gas pressure control and metering systems at Elster NV/SA: DVGW G 493-1 approval now up to 100 bar	3/12, p. 6
Q.Sonic <sup>plus</sup> : MID approval extended to DN 80 and DN 100	3/12, p. 10
Smart gas metering with Absolute ENCODER: Original or fake?	3/12, p. 11
Parameterization and analysis software: New: enSuite – the all-rounder	3/12, p. 12
EnCal 3000 is in demand: Analysis of conventional gas using an unconventional device	3/12, p. 14
Quality pays off! MR 50 – a success story	3/12, p. 16
Biogas injection: development in Europe The dialectics of lead	3/12, p. 17

## SERVICE

High-pressure test rigs with natural gas and air: We'll test for you – with high pressure of course	2/12, S. 13
--	-------------

## STANDARDS

BSI Protection Profile: the Technical Guideline has had a structural facelift: Smart Energy	2/12, p. 17
--	-------------

## DIALOGUE

Elster talking to RheinEnergie Smart Metering: teamwork in the pilot project	1/12, p. 12
---	-------------

## GROUP

The power behind our company's success: Product managers are interface managers and market managers	1/12, p. 11
Series: Elster: Success for Elster S.r.l. in the Italian gas meter market	1/12, p. 18
Hans-Peter Smid: Welcome to the new Gas Quality Analysis Product Manager	2/12, p. 23
Series: Elster NV/SA Belgium – world market leader for integrated metering solutions	2/12, p. 24

## EVENTS

A great year for Elster in China: Elster-Instromet on show at GAS CHINA 2011	1/12, p. 10
E-world 2012: Elster showcases itself as a solution provider	1/12, p. 11
World Gas Conference in Kuala Lumpur: WGC 2012 – join the decision makers!	1/12, p. 23
WGC 2012 closes with optimism for future of gas	2/12, p. 11
North Sea Flow Measurement Workshop 2012 Elster-Instromet shows its importance	2/12, p. 27
Metering Europe 2012 international trade fair Big events cast their shadows before	3/12, p. 9
Another great year for Elster in China: Elster showcases new products at GAS CHINA 2012	3/12, p. 20

## APPLICATIONS

The Italian Directive AGR 155/08 changes the way of business: From the individual product to a complete solution	1/12, p. 20
Create your vital connection: Connecting nature's supply and natural gas	1/12, p. 22
GAIL reaffirms its trust in Elster-Instromet: Prestigious gas calibration facility project completed in India	2/12, p. 20
ORPHEUS underground pressure reducing station: Working quietly and unnoticeably in "inconspicuous" places	3/12, p. 21
Elster Performance meters: News from the tuning workshop	3/12, p. 22
