

2016 Profiles Content

Products

Market Leadership in Volume Conversion and Gas Pressure Regulation: The Combined Honeywell Gas Offering	1/16, p. 3
Integrated Solutions to Optimize the Gas Value Chain Elster Completes Honeywell Portfolio	1/16, p. 6
Elster EK205 – Efficient and User-friendly Volume Converter for Standard Applications with Great Future Potential	1/16, p. 10
Extended Gas Regulator Portfolio Gas Pressure Regulators for Demanding Gas Operations	1/16, p. 12
Fast and Accurate Low-cost Natural Gas Calorific Value and Density Measurement Gas Quality Analyzer GasLab Q2	1/16, p. 16
Diaphragm Gas Meter Highlights Forever Young	1/16, p. 18
Rotary Gas Meter RABO® with Extended Range All in One – Now Also in Size G400	1/16, p. 20
Optimized Service Process Thanks to the IIoT The Industrial Internet of Things	2/16, p. 3
Gas Transmission & Distribution: The EC350 and its Ecosystem	2/16, p. 6
Rotary Gas Meters RABO® with New Index Version “S2”	2/16, p. 8
TwinSonic ^{plus} Two is Better Than One	2/16, p. 9
Gas Pressure Control System HON512 HON512 Now Also Available for the Medium-pressure Range	2/16, p. 12
A Key Element of the Value Chain Cloud Link 4G Modem	3/16, p. 5
New Modem Modules for EK280 and DL230 Making a Virtue out of Necessity!	3/16, p. 8
Upgrade Installed Devices for “ALL-IP” Before It’s Too Late	3/16, p. 9
Flow Computer enCore FC1 – Update on Functionality: More Value – Same Price!	3/16, p. 10
Honeywell MasterLink Software Solution with Extended Functions for Gas Supply Companies and Grid Operators	3/16, p. 12
The GasLab Q2: Into the Limelight	3/16, p. 14
Meascon™ – the CBM Sytem for Gas Meters Take Full Control of Your Measurements	3/16, p. 16
Olympic Relay Runners: The Show Must Go On!	3/16, p. 18
Series: Products in Figures: Rotary Gas Meter RABO® Celebrates Three Years of Success!	3/16, p. 20
Ultrasonic Gas Flow Meter Q.Sonic ^{max} The Best of Both Worlds	3/16, p. 22

Group

QKM Meter Production Opening Ceremony Another Firm Foothold Secured in China	1/16, p. 22
Series: Honeywell Group Honeywell Regulators from Kassel – a Company with a Tradition and a Future	2/16, p. 30
Focus on GasExpo: RVC Launch in China	3/16, p. 23
Focus on: HUG EMEA / CPC	3/16, p. 24

Events

HUG 2016: Honeywell Users Group	1/16, p. 9
Elster and Honeywell Live in Action European Flow Measurement Workshop 2016	1/16, p. 24
HUG Americas: All that Honeywell Process Solutions Has to Offer	2/16, p. 10

Standards

New CE Directives: It’s not only April showers that bring forth May flowers	1/16, p. 25
Gas Chromatograph EnCal 3000 with Excellent Measurement Results – Born in the USA	2/16, p. 29
Volume Converters: Compact – Simple – Good! EK205 Now with MID Approval	3/16, p. 21

Applications

Honeywell Elster Precision Solutions Go Beyond Metering, Optimize with Precision!	2/16, p. 13
2 Meters, 1 Electronic Volume Conversion Device EK290 Sets New Standard in Russia	2/16, p. 14
Honeywell’s CNG Filling Stations Saving Costs through a Direct Connection to the Natural Gas Grid	2/16, p. 16
New Product Highlight: Shut Off Valve HON750	3/16, p. 3
Redundancy Conversion Thanks to Just One Device JP Srbijagas Benefits from EK280 Offer	3/16, p. 6

Service

Series: Products in Figures – 1.5 Million Two-stage Medium Pressure Regulators	1/16, p. 27
New for Old: Retrofit to Extend Meter Life	2/16, p. 19
Cyber Security An Effective Strategy for the Pipeline Industry	2/16, p. 20
Total Care Field Services: Helping Make the Most of Technology Investments	2/16, p. 20
ISS Migration and Upgrade to ISS ^{plus} : To Ensure your System Remains Safe and Up-to-Date	2/16, p. 28
